RE: Request for information pursuant to Section 104 of CERCLA for IWI Inc. Site,  
Summit, Illinois

Dear Mrs. Bensing,

In response to our phone conversation today, this letter addresses the request for information.

Ohio Carrier Corporation has researched our files for any deliveries to IWI Inc., and were unable to find any information in reference to your request.

We do not haul any hazardous material, and do not have a hazardous permit number from the Department of Transportation. We haul steel, brick, and building materials. We do make deliveries to points near and around Summit, Illinois but have not deliver to IWI Inc. Site.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'B. Kandel'.
